

Ordering supplies via MyPrinterManager or Canon Solutions America

If your printer has either the MPS or Carbon Six label, supplies are auto-shipped when they run low.

If you need Service, call 877-786-2870

Example Shipping Tag Information – Mirrors the information shown in the email from MPS for supplies that are ordered automatically.

Canon Solutions America label

If your Printer/Copier has this Canon Solutions America label, you can order supplies by calling the 800 number, please have the Serial# and Model# available.

Supplies will NOT be auto-shipped for these Printers
